

Does your Best friend have bad breath?

Then be their Best Friend... and treat your Dog or Cat to a **FREE Dental Hygiene Check**, offer is now extended until the end of September 2010.

All Dental operations undertaken within 4 weeks of this **FREE Dental Check**, will also receive a **10% discount on this treatment**.

Your pet will be discharged after their operation with a voucher for a **FREE** bag of Hill's T/d 3kg for dogs or 2 kg cats.

You will receive a post-operative dental care appointment when the nurse will provide a preventative dental hygiene plan, brushing demonstration, plaque build up test and Dental health kit for your pet, all completely free of charge.

We realise the importance of prevention and treatment of Dental disease, and that a pet's life expectancy can be affected if this is neglected, so let us work together to prevent our pets suffering from this extremely serious disease.

Please contact any of our branches to make an appointment for your Pet's Free Dental Check. **Don't delay book today!**
