Puppy

Training School

At 3 weeks old puppies start to learn and enter the 'Socialising Period' during which they can learn to either tolerate things or fear them - which would you prefer? If you don't train, habituate and socialise correctly when young you could end up with behaviour problems - don't waste this opportunity.

ABOUT THE COURSE...

- **4 class course** - each class is for 45 minutes
- Run on **Saturday afternoon** at Drove Veterinary Hospital and **Tuesday evening** at our Taw Hill branch
- **Cost £40** includes personal folder holding Training Manual, Clickerallsorts
- **Open to all pups up to 22 wks old**, at start of course
- **Numbers limited to 8 per class** so get your application in soon! No more crowded classrooms

BENEFITS...

- Option to use the 'clicker' method - amazing results!
- Share experiences with others in your situation
- 2/3 Trainers to every 8 pups - now that's personal service!
- Obedience training taught the fun way! - 'Hands Off'
- Prevention of behaviour problems
- Toleration of fireworks
- Controlled off - lead play
- Prizes, gifts and games

A 4 week course run by the Drove Behaviourist, Christine Emerson. Christine is highly qualified in Dog Behaviour Counselling and more importantly, Puppy Class Instruction. She trains with kind and respectful methods. Even better, she is assisted by members of the Behaviour Services Team, Sylvia Covey and Donna McDonnell. Between them they have a vast range of experience in the world of dog training and dog welfare.
