Wootton Bassett Opening Times

Monday - Friday	8.30am - 1.00pm
Tuesday & Friday	2.00pm - 5.00pm
Mon, Wed & Thurs	2.00pm - 7.00pm
Saturday	9.00am - 11.00am

The surgery has been established for many years and was predominantly a large animal practice in the 1950's, when it was owned by Mr Rain. He was joined by Jon Gambles in the 1970's who provided a veterinary service to farms over a large local area. The small animal practice grew, and upon purchase of the surgery in 1999 when Mr Gambles retired it was at least 70% small animal. The surgery offers full operating facilities, with the back up of the main hospital at 252 Croft Road for specialist facilities.

If your pet has a problem during surgery hours, please telephone the practice immediately and we will ensure that you are offered an appointment on a priority basis. Please make it clear that the matter is not routine and we will do our utmost to attend to you at the earliest opportunity.

Our future... designed for the life time care of your pets
